

Sweet Coleslaw

Ingredients

shredded cabbage

slivered almonds

purple onion, chopped

sesame seeds

thin chow mein noodles

DRESSING

1/2 cup oil

5 TB sugar

4 TB vinegar

1/2 tspn salt

1/4 tspn black pepper

Method

1. Mix all dressing ingredients thoroughly. A glass jar with a tight lid is good for this.
2. Pour dressing over shredded cabbage.
3. Top with remaining ingredients, as desired.

The dressing can be added up to a day in advance, but the toppings can get soggy, especially the chow mein noodles, so put them on immediately before serving. You may want to put the onion in advance if you like how the color bleeds and the onion flavor softens from the dressing.
